For today s busy student, we ve created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version - allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! Through lively writing and stimulating examples, authors Wade and Tavris invite readers to actively explore the field of psychology and the fundamentals of critical and scientific thinking. Invitation to Psychology presents the science of psychology according to six areas of the learner s experience: Your Self, Your Body, Your Mind, Your Environment, Your Mental Health, and Your Life. This unique organization engages readers from the very beginning and gives them a framework for thinking about human behavior. Incorporating many active learning and critical thinking features, a balance of classic and contemporary research, and thorough integration of the psychology of women and men of all cultures, readers will learn much to take with them. For individuals seeking an introduction to psychology. Comes automatically with MyPsychLab, a robust online assessment resource which allows instructors to assess student progress and adapt course content to meet the needs of their class. MyPsychLab allows students to diagnose their progress and provides them with a variety of customizable resources to assist with their mastery of course concepts.
