Back to the World A Romance by Rise Phillips Monica Rose is an amateur fashion-designer-turned-model. She is the daughter of world-famous romance novelist, Carol Armstrong Jones, and top cancer specialist, Jon Turner. Carol disapproves of Monica Rose s vocational choice and boyfriend, the emotionally oblivious but genius horror filmmaker, Manfred. Meanwhile, Carol and Jon s marriage is in shambles-both are aware of the other s extra curricular activities. Jon s latest lover leads Carol to drive away from a cancer research benefit despite her run-in with several gin tonics. The result? Death. Now, in addition to discovering a strange man (world-class business man Adam Adair) at Mom s funeral, Monica Rose also finds one last manuscript-an autobiography. This book tells quite the different story of her mother, her past, and this Adam Adair. And the plot only thickens from there. Excerpt from the book: ARE YOU ALMOST READY, LOVE? Would it be glory or poison pens across the media world? Everything about the film, with commentary from all the critics large and small, would be known in an instant....
