Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, The Heart of Leadership: Unlock Your Inner Wisdom and Inspire Others, Sabina A. Spencer, We stand in the doorway of the Relationship Age, says Sabina Spencer. With the extraordinary advances in rapid communication come a very different way of looking at ourselves and our world. We feel the links between us and are demanding more integrity and more transparency in the way we live together. We want recognition that we are not simply cogs in a vast machine - and greater levels of personal fulfilment are, for most of us, as important as wealth and success. If we are to provide leadership, we can no longer operate with a divide and conquer mentality, putting self-interest above the common good. Words like 'partnerships' and 'teams' reflect our new sense of togetherness - and require a very different way of relating. In this groundbreaking and thoughtful book, the author explains there are seven keys we need to possess if we want to be a source of inspiration to others. She describes how we can: Establish security in ourselves and others; Generate passion; Share power; Inspire love; Voice truth; Trust our intuition; Honour the mystery of life. Only with these will we be able to create a future that is enriching and sustainable for us all.
