

Snowbound with the Surgeon

By Annie Claydon

Harlequin (UK). Paperback. Book Condition: new. BRAND NEW, Snowbound with the Surgeon, Annie Claydon, Dr Neve Harrison won't let the heavy snow stop her from treating patients. She just needs a little help getting there! Her knight-in-shining-armour is handsome Joe Lamont, and whilst the temperature outside is freezing, inside Joe's four-wheel-drive it's practically sizzling! Joe's past is a well-guarded secret, but perhaps Neve's healing touch can warm this scarred ex-army surgeon's heart? Praise for Snowbound with the Surgeon - "Annie created a true to life Yorkshire village, complete with stubborn old ladies, and tonnes of gossip. A wonderful pair of M/C that you felt attached to. She allowed you to get to know the pair, the village and their pasts all in a relatively short space of time. It was a sweet, and believable so much happened throughout the book that kept throwing the pair together, and it just made my heart happy." - Emily Birch, NetGalley reviewer 'Sweet and ultimately feel-good, with a gorgeous snowy Yorkshire providing the perfect backdrop. Just the type of Christmas treat I expect from M&B.' - Rebecca Lusher (NetGalley reviewer).

Reviews

This book is great. It is written in simple words and not difficult to understand. I discovered this pdf from my dad and i suggested this ebook to find out.
