Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

SHAKER HEARTS

David R. Godine, USA, 2002. Paperback. Book Condition: New. 1st Edition. 32pp Illustrated. [In stock in Australia, for immediate delivery] The religious sect known as Shakers, who at their height (ca. 1825) probably only numbered around 4000, has always exerted a profound influence on the American imagination. Perhaps it was their simplicity, or their celibacy, or their strict rules for communal living, but while other utopian communities have long since been forgotten, the Shakers live on. Founded by Mother Ann Lee in the 18th century, they soon had active communities throughout the Midwest and as far south as Kentucky. Dedicated to serving God, they lived simple, agrarian lives in harmony with the changing seasons, content with what they could provide with their own hands and labour. Although living communities have all but disappeared, their influence survives - in everything from the clothes pin to the seed packet. Their spare motto, 'Hands to Work, Hearts to God' is repeated like a mantra in the charming rhymed text by Ann Turner. Coupled with the chaste, sensitive, almost elegiac paintings by artist Wendell Minor, this lovely paperback reprint of the hardcover original brings back the virtues of hard work, simple needs, rural living, and an admirable religious order we would do well to contemplate.
