

The Child s Grammar: First Lessons in Language (Classic Reprint) (Paperback)

Filesize: 4.48 MB

Reviews

Certainly, this is actually the very best job by any author. it was writtern very flawlessly and beneficial. I found out this publication from my dad and i recommended this ebook to discover.

(Magali Robel)

THE CHILD S GRAMMAR: FIRST LESSONS IN LANGUAGE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Child s Grammar: First Lessons in Language This book is what its title implies, a Child s Grammar. It was written for the children, not for grammarians and critical scholars of the language. Its chief aim is not to propose new principles, but to simplify and make easy such as are already known, and adapt them to the capacities of young pupils. The effort has also been made by means of pictures and various novel devices to awaken and sustain the interest of the pupil and relieve the study of much of its tediousness. The author has endeavored to put himself on the same plane with the children, to think as they think and talk as they talk, avoiding at the same time that silly grandpapa style so often met with in so-called juvenile text-books. Throughout the whole work the principle is recognized that grammar is not a code of dead rules, petrified in the writings of past or present authors, but rather the expression of the living genius of a language, wearing its livery and subserving its needs. Believing that the first grammatical essays of the child should be upon the words of his own little vocabulary, and not upon the language of great poets and other writers, the author has aimed to teach the young pupil first to use correctly his own familiar words in conveying his thoughts, as well as to enable him subsequently to understand language which he may read or hear, and appropriate its forms to his own use in expressing the ideas of his maturer mind. About the Publisher Forgotten Books publishes hundreds of thousands of rare and...
