Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Since meanwhile, the male-dominated subculture of football hooligans has not only grown to a serious problem in England but also in many other countries around Europe, football-related antisocial behaviour has become a subject to much discussion about masculinity and subcultures in the fields of academics and the media...
