Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

TRANSCENDENTALISM AND MATERIALISM THE CHRISTIAN MODUS VIVENDI In one of the essays composing his volume, Right and Wrong, Mr. Lilly observes; No sort of compromise, no kind of modits vivendi, seems to me to be possible between the two schools of transcendentalism and materialism. This is a very sweeping assertion, and it could only be made good if one, at any rate, of these two schools were wholly in the wrong, whereas every impartial student would be willing to allow that each emphasises a truth of the utmost importance. To find a modits vivendi between them, therefore, we have but to discover a system which shall include the truth and exclude the error of each. It is proposed to show that a Christian philosophy supplies the possibility of such a system. In making this claim, no pretension is set up to solve all the problems presented to the mind of man by the actual conditions of his existence, for though a philosophy combining the two systems of thought which in these days chiefly represent the eternal opposition between mind and matter, would carry us far more deeply into the principles of human knowledge than we have yet been able to penetrate, yet the whole truth must still lie beyond our reach. It has been well said that the function of a; in any finite knowledge is a subject to be pondered, and also the question whether any progress of philosophical speculation can ever...
