

## How a Second Grader Beats Wall Street: Golden Rules Any Investor Can Learn (Hardback)

By Allan S. Roth

John Wiley and Sons Ltd, United Kingdom, 2009. Hardback. Book Condition: New. 216 x 145 mm. Language: English . Brand New Book. Straightforward strategies from a successful young investor In How a Second Grader Beats Wall Street, you ll follow the story of Kevin Roth, an eight-year-old who was schooled in simple approaches to sound investing by his father, seasoned financial planner Allan Roth, and discover exactly how simple it can be to become a successful investor. Page by page, you ll learn how to create a portfolio with the widest diversification and lowest costs; one that can move up your financial freedom by a decade and dramatically increase your spending rate during retirement. And all this can be accomplished by using some common sense techniques. Along the way, Kevin and his dad discuss fresh, new approaches to investing, and detail some tried-and-true, but lesser known approaches. They also take the time to debunk the financial myths and legends that many of us accept as true, and show you what it really takes to build long-term wealth with less risk. Discusses how to design a portfolio composed of a few basic building blocks that can be tweaked to fit your...
