Compounding high investment earnings is the most powerful force in the universe, Einstein said. Simple but powerful AND you pay NO tax AND zero advisor/broker account fees for life. When you both invest in the stocks of successful businesses, you earn high returns. After 15 years, you could have \$250,000 because the businesses pay dividends. After about 30 years, you could have \$1,000,000. Over time, stocks of growing businesses outdistance most other investments. See page 13 below. Compounding works best when you put your money to work in successful businesses paying dividends and stock splits, with no taxes or advisor/broker fees. The table below gives you some idea of how fast your money can grow if you invest it in businesses like the ones you patronize every day. You Earn and Keep More!.
