Vintage, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "They don't make them like TR anymore. This is just as well; one was plenty. But such a one he was! Even today he leaps off the page, grabs the reader by the shoulders and makes him want to mount a horse, climb a peak, or battle the enemies of the public weal. Bully indeed!" --H. W. Brands, author of *The Man Who Saved the Union: Ulysses Grant in War and Peace* "An eclectic collection from the highly literate and scholarly president of the United States. Editor Hutner had a difficult task: selecting representative samples from among the mountains of Roosevelt's publications. Some selections are unsurprising . . . but there are also some welcome surprises. . . . Intriguing pieces, unobtrusively and skillfully edited, that form both a time and a time less capsule." -- Kirkus Review "Although Theodore Roosevelt is most often remembered as a man of action--whether in the White House, on the African savannah or through the Amazon rainforest--what he was first and foremost, and throughout his life, was a man of letters. Roosevelt was not only astonishingly prolific, he was thoughtful, thorough and incredibly eloquent. For this book, Gordon Hutner has carefully chosen not just Roosevelt's best known work, but his most powerful and stirring writings. It is a striking glimpse into an extraordinary mind, and an absolutely fascinating, endlessly entertaining read." --Candice Millard, author of *The River of Doubt: Theodore Roosevelt's Darkest Journey* "See Theodore Roosevelt afresh by reading this fascinating collection of newly uncovered essays combined with his historic political and literary preachments. TR defends the reason why nationalism stands behind his brand of conservation of nature and his defense of the welfare state, and he breathes...
