Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When this was written, the Roman Quesiton had not yet been settled by the Lateran Treaty. However, the points set forth apply also to the idea of the United States both as a republic and as a democracy. Let us consider this on the foundaiton of the United States government: Popular sovereignty can be understood to mean that the ultimate ground and original source of all authority is the common consent of all; the will of the people, and not God, of whom all paternity, all authority, is named in heaven and earth. This principle is totally false, or rather no principle at all. Precisely in this sense did Hobbes and Rousseau, the founders of this modern theory, put forth their doctrine; each one adding a shade of coloring of his own. Their set purpose, in asserting the sovereignty of the people, was to separate and estrange society from any and every relation to a personal God-to establish the State without God. Though it does not always openly avow it, Liberalism employs this principle in the sense of the contrat social, and for a like purpose. This theory of popular sovereignty renders it an immense service; for it is a fruitful source whence are derived the means of furthering its plans, and legalizing State absolutism. We are not to regard the sovereign power of the people in this atheistico-materialistio sense. Anarchists and socialists openly declare that the sovereignty of the people is to be so understood, and that they intend to carry out their plans on that principle as soon as they have a majority in the legislative bodies. The cynical saying of Bebel, If there were a...
