# Ozark Zoological Park: A Word Processing Simulation (Paperback)

By Chris Stiegler

Cengage Learning, Inc, United States, 2004. Paperback. Book Condition: New. 2nd Revised edition. 274 x 213 mm. Language: English . Brand New Book. Ozark Zoological Park, a revision of Fun Games International, is an intermediate-level simulation that combines the appeal of international business with a review of basic keyboarding and word processing skills. By participating in the information processing tasks of a city zoo and a variety of game activities, users reinforce basic abilities in reading, research, problem solving, math, geography, and history. Zoo activities touch on topics such as customer service, international markets, and international shipping processes.
