Uncovering a cold-blooded execution at the hands of a conspiring police force, this engaging account relentlessly pursues the murderers of Black Panther Fred Hampton. Documenting the entire 14-year process of bringing the killers to justice, this chronicle also depicts the 18-month court trial in detail. Revealing Hampton himself in a new light, this examination presents him as a dynamic community leader whose dedication to his people and to the truth inspired the young lawyers of the People s Law Office, solidifying their lifelong commitment to fighting corruption. Contending with FBI stonewalling and unlimited government resources bent on hiding a darker plot, this reconstruction relates an inspiring narrative of upholding morality in one man s memory.
